Black History Month Competition for Years 3 to 8

Would you like to win prizes? Would you like to be creative? Would you like to learn more?

Create your own poster or PowerPoint on one important non-white figure alive today, or from the past.

UPLOAD YOUR WORK TO THE VLE

What is Black History Month?

The event is intended to recognise the contribution and achievements of those with African or Caribbean heritage. It's also an opportunity for people to learn more about the effects of racism and how to challenge negative stereotypes.

When Black History Month first started in the UK, there was a big focus on black American history. Over time there has been more attention on black British history and key black figures from the UK, such as:

- Walter Tull, the first black officer to command white troops in the British Army and one of English football's first black players
- Malorie Blackman, a bestselling author and the first black Children's Laureate
- Olive Morris, a social activist who co-founded groups such as the Organisation of Women of African and Asian Descent and the Brixton Black Women's Group
- Dr Shirley Thompson, the first woman in Europe to conduct and compose a symphony within the last 40 years
- Lewis Hamilton, one of the most high-profile competitors in Formula One and the only black driver

A Lancing College Preparatory School

News Bulletin

8 October 2021

Reception are settling in well!

Our new Reception children are enjoying the start of their Pre-Prep lives at LPW. This photograph will be appearing in the Argus on 12 October and also in the Worthing Herald (date to be confirmed). They are already showing just how much they *Love Learning*, the first of our school aims.

Year 8 Licensed to Thrill

Dapper in black tie and definitely shaken not stirred, our Year 8 pupils enjoyed the private showing of 'No Time to Die' at the Dome Cinema on Monday. They have prepared for the occasion by listening to Charlie Higson's young Bond novel, Silverfin, at school and studying iconic Bond opening scenes to consider how a director interprets text, using images and music to portray atmosphere. Mrs Casey was very impressed with their reviews for this latest James Bond offering!

Calling all bookworms!

The children have been delighted to celebrate National Library Week with the reinstatement of our Foundation Library at LPW this term. They have been rediscovering the joy of borrowing a book!

PSHEE talks

It's been wonderful that we are now able to welcome guest speakers back to school.

The Prep school children attended a superb assembly, on internet safety, led by Andy Brown, Director of IT for Lancing College, LPW and LPH. The photograph above shows how interactive it was!

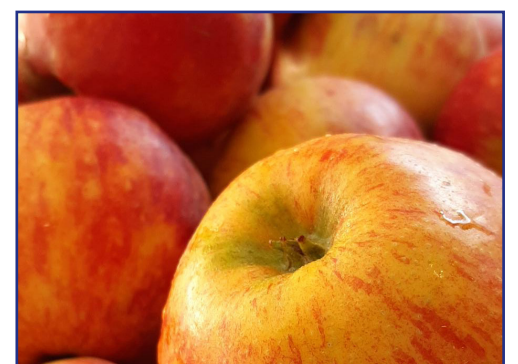

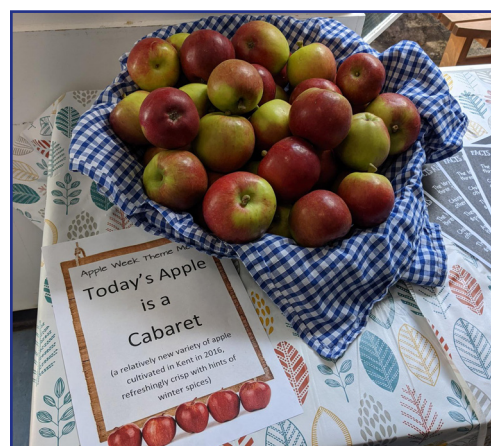

A powerful and thought-provoking workshop for Years 7 & 8 was delivered by Kate Edgecumbe from ID YOU. The children explored on how to be an 'upstander' rather than a bystander and learnt about the importance of language in equality. This clearly linked into the second of our school aims, *Be Kind*.

Find out more about ID YOU on the link here: <https://www.idyou.uk/>

An Apple a Day...

We celebrated Apple Week with a different variety each day being featured and an apple theme ran through our menu for the week. See overleaf to read how Year 8 continued the theme in their work!

European Languages Day

This was celebrated with an assembly, 11 language workshops led by our plurilingual pupils and members of staff, a delicious European lunch made by our chef, a 'quiz-trail' around the school and a variety of linguistic and creative activities.

Russian and French Workshops

Learning about Polish culture

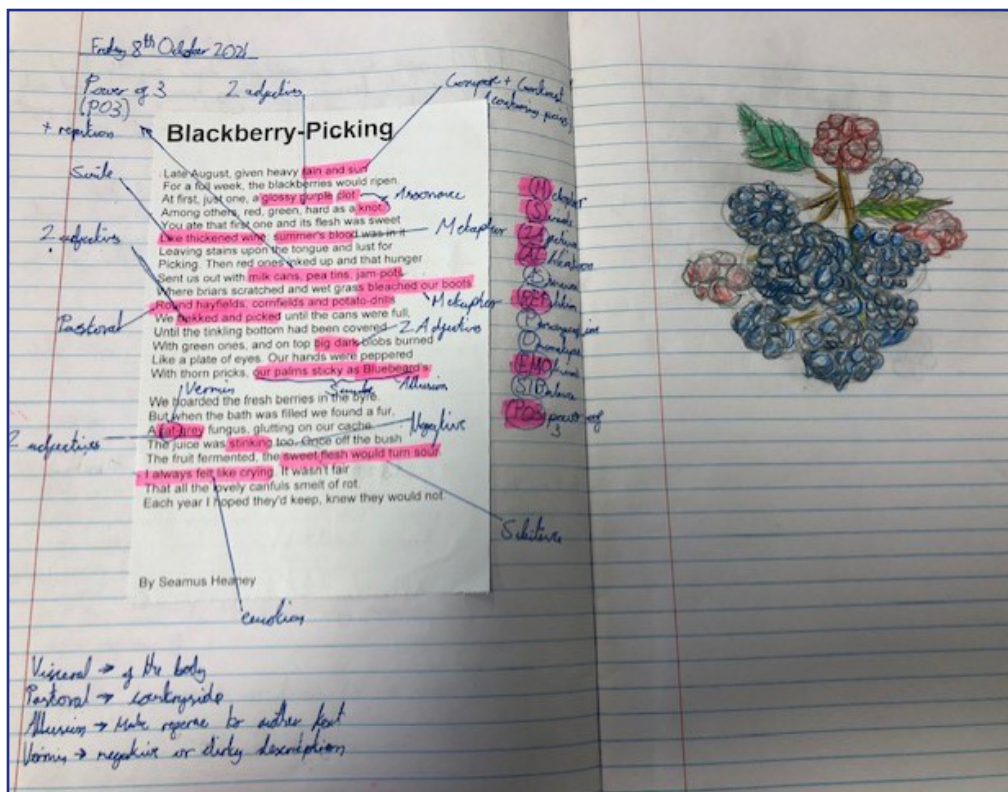

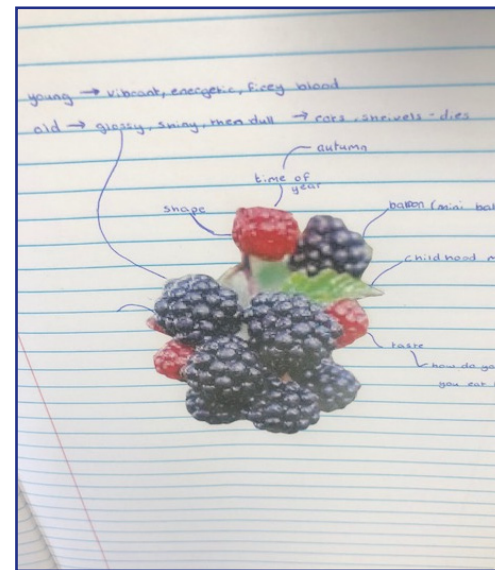

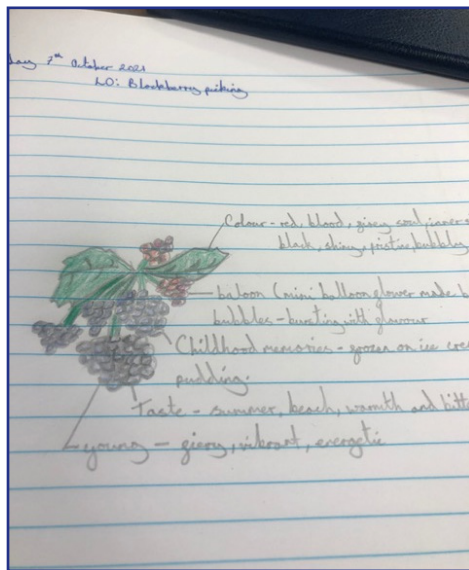

European cuisine at lunchtime

Teamwork while undertaking a Word Search

Year 8 integrate Apple Week in their Learning

This week, the Year 8 pupils have been studying and analysing Year 8 Seamus Heaney's poem **Blackberry Picking** and were clearly inspired by the appearance of an excellent Apple & Blackberry Crumble appearing on the LPW lunch menu as part of Apple Week!

House Points

The latest set of House Point totals is in!

Celts 375 **Saxons** 364 **Britons** 342 **Normans** 316

Party Time!

Our wonderful PTA are delighted that they are now able to host their customary parties for our pupils. These are a much-valued treat for the children who have missed these social events over the past school year and a welcome boost to their wellbeing. There were two Beefit parties, the first for Nursery, Pre-School & Reception and the second for children in Years 1 & 2. The Prep children up to Year 6 had a silent disco which was great fun. There will be a film & pizza evening for the older children in Years 7 & 8 to come this evening!
