#### Advertise with the LPWA

We are offering space on our notice board in the playground for you to advertise your business. Would you like to advertise your business to the school community? If so, please supply us with an A6 sized card and for the small sum of £5 per term we will place this on our board for all to see. For more information email [lpwassoc@gmail.com](mailto:lpwassoc@gmail.com) or catch one of use at the gate.

# Lancing Prep Worthing

## A Lancing College Preparatory School

### Reception

The children loved meeting the exotic creatures that our friends from Jaws n Claws brought to show them. The children were excited to see and touch so many different beasts from snakes to toads and lizards and were also very taken with the beautiful dog that came along too!

### Mental Health Week

Children across the school have been celebrating Safer Internet Day during Mental Health by watching videos, taking quizzes and learning about top tips to help them understand healthy online

relationships and how to stay safe online.

The week included lots of PSHEE-based activities and Year 3, pictured below, drew their own hot air balloons to illustrate their understanding of the theme, 'The

people who support me with my mental health and help me grow my emotions, carry me in a hot air balloon'.

For Year 5 the theme was 'growing together' and they explored how this might be achieved through their friendships, happiness, self-esteem and taking care of their bodies.

Year 8 were in an equally reflective mood, and enjoyed looking back at their past and forward to whatever the future might hold for them.

### Year 5 sample a classic bread

The children enjoy their classics lessons where they discover more about the lives and times of the Romans and were treated to tasting in class some bread baked from an ancient Roman recipe!

### Chinese New Year

We celebrated the start of the Year of the Tiger with a specially themed lunch menu. The children thoroughly enjoyed the treat and some were brave enough to tackle their meals with chopsticks.

## More news from the Prep School

### Year 5 scientists get busy with slime!

The children had worked hard to sit tests postponed from November and following their feedback session, enjoyed a fun activity to make slime. And what fun they had! They observed slime feeling sometimes like a solid and other times like a liquid. We discussed how and why this happens.

### LPW Sport

It's been a busy time for sport with LPW teams in action against other schools. Well done to our girls in Years 7 and 8 who won their football match against Shoreham College.

Our netballers went up to Lancing College for a coaching session with the College sports staff which paid off in our fixtures. We played our sister school in Hove at netball, it was honours even with two wins for each school and we were particularly proud of our U13s who won their match!

We are continuing to make our sports available to both boys and girls, so it's been lovely to see the boys get to grips with netball and getting match practice in co-ed teams. It's also hockey season for the boys, so there has been quite a variety of skills on display so far this term.

## LPW take to the ice

With the Winter Olympics taking place in 2022, winter sports are very much on everyone's minds at the moment. LPW pupils in all year groups from Pre-Prep and Prep have been treated to a fun ice skating session in Worthing, courtesy of our wonderful Lancing Prep at Worthing Association, which is run by our parents and does so much to enhance life at school for the children.

LPW

- Benjamin K for his super polar bear writing
- Grace T for her amazing clay mermaid, and for asking thoughtful questions during the Jaws and Claws visit
- Harlan T for using amazing discriptive language during story telling
- Romey F for being incredibly independent when using clay
- Rupert W for super penguin writing
- William J for his super knowledge of tricky words

### Year 1

- Alex E for settling back in so well
- Asher G for taking pride in his diagram of a garden
- Chloe B for wonderful fact file writing on Hedgehogs, and for being kind and thoughtful to others
- Cleo S for being a resilient ruler and always being keen to read, and for being kind and thoughtful to others
- Daniel M for brilliant listening in PE
- Jacob S-Y for an amazing PE and Music lesson
- Jasper S for his wonderful bird feeder design
- Jessica W for being a resilient ruler and asking inquisitive questions
- Lana G for working hard and being a resilient ruler
- Magnus D for his wonderful Titanic facts
- Matthew S for his wonderful fact file on deer
- Miles C for his amazing spelling score
- Tilly W for being a kind friend and helping others
- Zara H for excellent progress with her reading, and for being a resilient ruler and asking inquisitive questions

### Year 2

- Adelaide P for working independently in Maths
- Clementine C-D for great Pictogram work in Maths
- Chloe R for thinking of super interview questions
- Emily E for her guinea pig inspired story, Katie Morag and the New Pet
- Fatima C for using time words when retelling a story
- Freddie B for reading to the class
- Harry A for singing a French number song and getting everyone to join in
- Isla L for her stunning picture of The Great Wave
- Sia S for her funny story, Katie Morag and the Playdate
- Sofia S for her amazing multiplication and division
- Zara R for interpreting pictograms
- Zayan M for helping others to read tricky words

**Year 3**

- Alex B for an excellent, informative emergency evacuation poster for the people of Pompeii
- Ben F for writing a super Acrostic Poem about football
- Jasper D ) for an excellent research project on volcanoes and for making a volcano at home to complement his learning in class
- Peaches C ) for an excellent research project on volcanoes and for making a volcano at home to complement her learning in class

**Year 5**

- Beatrice D for being an outstanding independent learner who always goes beyond expectations, and for baking a superb 'galette des rois' as part of a delving deeper task in French
- Bella L for a beautifully crafted fact file about Christopher Columbus
- Freddie B for baking a superb 'galette des rois' as part of a delving deeper task in French
- Harry C for crafting a detailed and imaginative poster about Joséphine Baker, in French
- India G ) for baking a superb 'galette des rois' as part of a delving deeper task, and for crafting a detailed and imaginative poster about Joséphine Baker, in French
- Joshua C for baking a superb 'galette des rois' as part of a delving deeper task in French
- Misha M for baking a superb 'galette des rois' as part of a delving deeper task in French
- Sophia S for a beautifully crafted fact file about Christopher Columbus, and for winning the Joséphine Baker creative project in French in her year group

**Year 6**

- Elizabeth H for being empathetic and imaginative by baking several almond-free 'galettes des rois' for her classmates as part as a delving deeper task in French, and for creating a hilarious and professional video explaining how to multiply decimals
- Leila F for creating a hilarious and professional video explaining how to multiply decimals
- Lexi P ) for collaborating with three other pupils on the Joséphine Baker creative project in French and for winning the first prize, and for crafting an excellent tutorial video on how to multiply decimals
- Mairead C for a methodical and effective approach to dividing decimal numbers
- Phoebe B for collaborating with three other pupils on the Joséphine Baker creative project in French and for winning the first prize
- Ruby H ) for collaborating with three other pupils on the Joséphine Baker creative project in French and for winning the first prize, and for crafting an excellent tutorial video on how to multiply decimals
- Unaysah K ) for collaborating with three other pupils on the Joséphine Baker creative project in French and for winning the first prize, and for crafting an excellent tutorial video on how to multiply decimals
- Yuvraj S for crafting an enjoyable and imaginative Blooket quiz on converting fractions, decimals and percentages

**Year 7**

- Florence D ) for being imaginative and creative when completing 'front cover artwork' in English; for baking a superb 'galette des rois' as part of a delving deeper task in French, and for crafting an amazingly detailed poster about Joséphine Baker, in French
