Nursery & Pre-School

The children have been making the most of some beautiful sunny days with lots of outside play in the Nursery & Pre-School garden. They have also been exploring the main school field and learning about water took them on an adventure to our pond area too!

Year 3

The children loved their spelling practice this week, thanks to the Bananagrams Word Game! It's a fun activity for Year 3 and so wonderful to see them working so well together to see who will be 'Top Banana'!

Year 4 go Greek!

The children have been learning about the Greeks with a special workshop by *Portals to the Past*.

They played Greek games, took part in a Greek Quiz, learnt about Greek warfare and were thrilled to handle a spear, shield and sword.

They learnt all about Greek democracy and performed a Greek play.

They also took part in the Javelin as part of a mini Olympic games.

It's wonderful to see their learning enhanced by these workshops and how much they enjoyed the day!

Year 6

The pupils combined their history lesson on the Treaty of Versailles with a dramatic reenactment of the discussions between 'Woodrow Wilson' and 'Georges Clemenceau' on what elements should be part of the treaty!

Examples of when to end self-isolation if you have had COVID-19 symptoms or have received a positive COVID-19 test result

This means that if, for example, your symptoms started at any time on the 15th of the month (or if you did not have symptoms but your first positive COVID-19 test was taken on the 15th), you may take daily LFD tests from the 20th of the month. If your LFD test results are negative on the 20th and 21st, and you do not have a high temperature, you may end your self-isolation period after the negative test result on the 21st of the month.
