LPWA Notices

Dates for the diary:

Friday 27th May – 2-4pm – **Summer Fair**

Friday 10th June – 3-5pm – **Uniform Sale**

Friday 17th June – TBA – **Quiz Night** (with food and drink)

We have some great stalls and rides planned for the Summer Fair on Friday 27th May, all of which need to be paid for using **tokens** rather than cash. This will save us having to organize floats and save you having to bring coins - although you may wish to bring some cash for refreshments! Tokens for the **stalls** and **rides** need to be purchased before the event which you can do by completing the slip emailed to you yesterday. We will then send them home with your child. Alternatively, you can purchase them from Daisy - the food trailer. More will be available on the day but we would encourage you to buy them in advance.

Tokens are £1 each. Most stalls will be £1 'per go' but some rides are £2.

Payment can be made in cash or by BACS. Please complete the form and return to the school office by Tuesday 24th May.

Raffle tickets are now on sale. Please return the stubs and cash to the school office.

It's not too late to donate a **raffle prize** for the Jubilee Summer Fair raffle.

Volunteers needed to help on the day of the Summer Fair. Email LPWA if you can help.

News Bulletin

20 May 2022

Nursery & Pre-School make some noise!

The children were joined by parents for a Music Session. Our music sessions with Head of Music are an important part of the EYFS curriculum as making music enhances fine and gross motor skills and activates all areas of the brain. It's a lot of fun too!

Reception go den building

The children love their time spent outdoors and their Forest School sessions in particular. They enjoyed building dens, which involved them using their problem-solving and teamwork skills, which are developing nicely in the EYFS.

Pre-Prep meet a tortoise!

The Pre-Prep were enthralled by a visit from their friend called 'Cucumber' - a very friendly tortoise!

The children enjoyed holding Cucumber, who enjoyed eating a lunch of rocket and dandelions in front of an inquisitive audience. Most of the day was spent relaxing in the daisies in our school's garden.

Mental Health Awareness Week

The Wellbeing Team have been working with the children and held Positive Affirmation sessions, where we all thought about the positive strengths and qualities that we have within us. Here are some examples from Years 3, 4, 5 and 8.

Year 5

The children have practised their French speaking on the topic 'Chez le docteur' with real medical material kindly donated by one of our wonderful families.

They entered into the role play with great enthusiasm!

LPW Earthshot

Inspired by Prince William's Earthshot competition, the Green Team launched the LPW Earthshot competition at the end of the last term.

The idea was to ask students for creative, exciting and inspiring ways in which to save our planet! We had so many entries that we had to divide them into Junior and Senior entries. Congratulations and well done to everyone who took part.

The Junior winners are: 1st place Freddie B, 2nd place William B, 3rd place Bea D

The Senior winners are: 1st place Amelia G, 2nd place John H, 3rd place Sophia B

The runners-up were all awarded seeds! Anna B, Florence D, Joshua H, Monty T, Albie T, Beau H, Jessica W, Oliver E, Max B, Misha M, Joshua C, Sophia A and Leah M

Year 6 become Pizza Chefs!

The children had a very enjoyable Friday treat making pizzas at *Pitch*, with former Masterchef winner Kenny Tutt. This was a treat with an educational twist as they created these while using mathematical language involving fractions and ratios, followed by an hour of an hour of bowling, calculating individual and team averages and ranges as they did so!

Junior Art Club

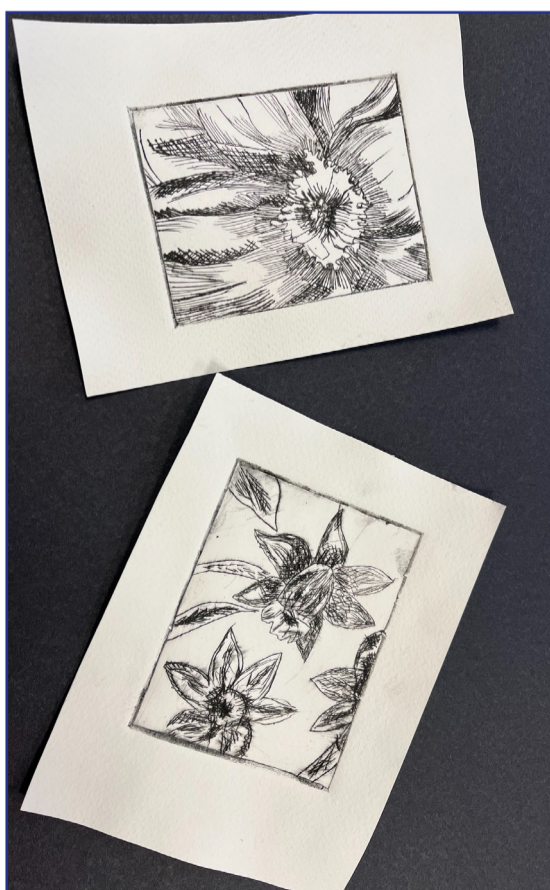

The children have been trying their hand at textile painting and have produced fabulous silk cushions. They almost look good enough to eat in this photo!

Senior Art Club

Senior art club worked from daffodil drawings they completed over the Easter holidays for their dry point etching.

The perspex block was positioned over a selected part of the drawing and then with a sharp needle, hatching lines were scratched into the surface. The heavier the scratching, the darker the ink will be once printed. Once the block is finished a thin layer of ink is worked into the block and any excess removed. The block is then printed onto a damp water colour paper, using a flat bed roller press.

Music Soirée

It was lovely to see Year 8 supporting the performers in our Music Soirée so enthusiastically!

The school is also most grateful to Mr & Mrs Murphy who have so thoughtfully provided us with super fleece blankets for our outdoor events!

The Bannister Mile

Our annual sponsored run returned to Worthing seafront after a couple of years being run either at school or at home and it was wonderful to see the children's enthusiasm and so many parents coming along to support them. The general public enjoying the promenade were delighted to see the school out in force and gave staff many compliments! The pupils have so far raised £2,600 for the DEC Ukraine Appeal.

Hope S) for presenting an outstanding presentation on feminism, the history of the women's rights movements and why it matters today

Congratulations!

Well done to Sophia B and Joshua C who took part in the IAPS Trampoline Competition. Sophia has been working hard at training to perfect her basic skills and scored a 9.1 on her first routine and a clean second routine and was placed first overall in the girls' competition for her age group. Joshua's group was a closely fought contest and he was placed 4th out of 20 competitors. Both were great ambassadors for the school.
