News Bulletin

1 July 2022

Nursery & Pre-School have visitors!

The duckling eggs hatched and the children have been thrilled to have these two feathered friends to play with. They will soon be heading off for their forever home on a pond.

Year 1 explore the past in Amberley Museum

Amberley Museum is full of examples of the working past in our county. The children had a fabulous time learning about historic machinery, equipment, buildings and inventions, with so many examples of rural crafts and industry to see and experience.

Year 4

The children are working on collage rocket pictures and have been using sponge rollers and stippling paint effects to create some super backgrounds for their work.

Year 8 make super garden pots!

The pupils used terracotta clay to make their own clay stamps that they found textures for in nature. They then used the stamps to impress decorations into their garden pots.

Year 3 hear all about Amalie's visit to Le Toucquet

Mme Valantin changed her plans for the French lesson when Amalie brought in a box of Speculos (French biscuits similar to biscoff) that she bought in France during the half term break to share with everyone.

Amalie was keen on telling the class what she enjoyed doing and eating in France. She spoke with confidence and by the end of her little talk, everyone knew more about the North coast of France and was able to summarise what Amalie told us. She was a brilliant teacher and we all enjoyed eating the tasty biscuits at the end of her talk!

Year 5 pupil gets creative!

Well done to Jonathan, who used his imagination to create a fantastic wooden monster, using his DT and Art skills, which he made as part of his homework task to create a character for a story that the pupils will plan and write in school, to summarise the topics studied in French this year. Bravo Jonathan!

Year 8 have fun, post exams!

The summer term is always a mixture of hard work for exams, followed by some well-deserved activities and trips for Year 8 as they come to the end of their LPW journey. Post Common Entrance, the pupils enjoyed a treat at a local coffee shop, reading the papers and debating current affairs, while enjoying some delicious drinks!

A fun day out at Thorpe Park was hugely enjoyed by all our Year 8 pupils!
