News Bulletin

14 October 2022

Reception raring to go!

Our new Reception class are settling in beautifully, and were very patient as the school took a photograph of them with some of the older Pre-School children for a recent newspaper feature.

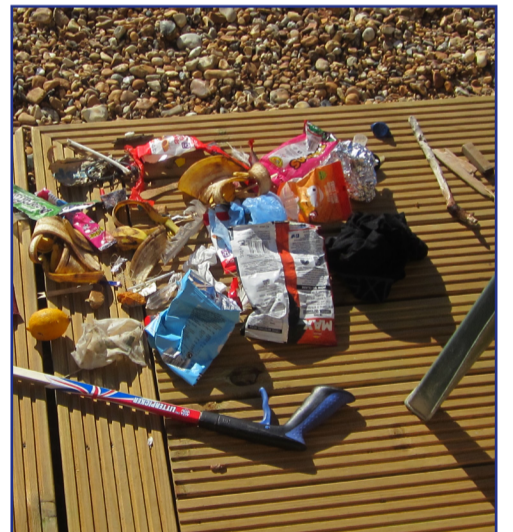

Years 1 and 2 get physical

The children have been getting to grips with the equipment in the school gym, for the first time for Year 1!

Year 1 head for the beach

The children went down to Lancing beach to 'go out in the world and do good' by collecting rubbish. they worked hard and made stone sculptures. They enjoyed a picnic and collected interesting shells and stones.

International Day of Languages

This was an amazing day for all year groups. The pupils in Year 7 and in Year 8 from the French club brilliantly led the activity before the assembly and all worked very hard to make this day so special.

Our bilingual pupils taught us Chinese, German, Urdu, Spanish, Deutsch, Turkish, Spanish, Italian, Slovakian, Polish, Arabic, Russian, French, Africaans, Tamil and Japanese.

In Year 3, Zoya and Sofia baked some delicious traditional cakes that they kindly shared with their friends. In Year 4, Damian taught some German to his friends. In the same group, the pupils were inspired to share languages they knew. They were lucky to learn

some Turkish from Cameron, Arabic from Elliott, Spanish from Eithne, Greek from Amalie, Italian from Esmee, Portuguese from Rory and Deutsch from Jasper. Eileen, in the other Year 4 class, told a fascinating Chinese story about the Moon Goddess and brought some beautiful Chinese cultural objects. A lot of children cooked a variety of traditional food from all around the world, crafted amazing posters and flags and completed their treasure hunt quiz about world languages.

It was a fantastic day which showed wonderfully well how we can live together, learn from each other and form such a beautiful community.

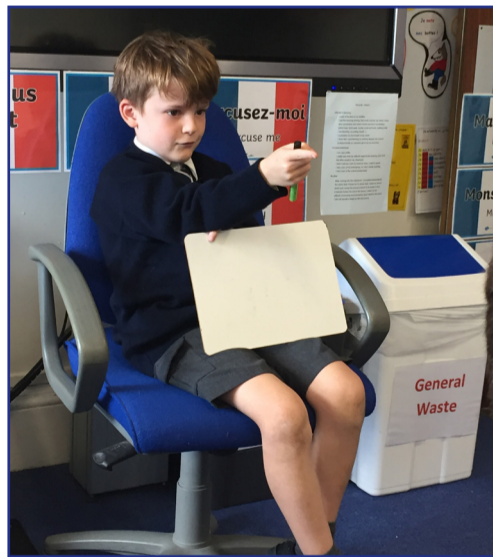

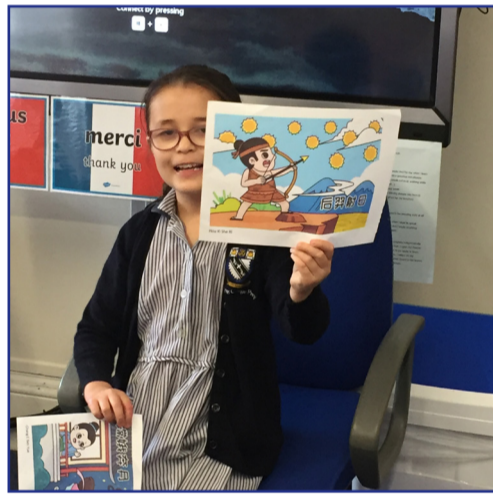

So a big thank you to all the children from Madame Valantin.

Year 7 follow in the footsteps of William the Conqueror

The 14 October 2022 represents 956 years exactly since the Battle of Hastings. The week before, all of Year 7 went to Battle Abbey to see the ruins of the buildings that were built at the battlefield where the Normans were triumphant over the last Anglo-Saxon king of England.

Great fun was had trying to lift shields, try on chainmail and imagining what the actual Battle might have been like. They have reflected well on the lessons learnt from the trip since coming back and there has even been some light sword play!

Hockey

The girls in Years 7 & 8 have been enjoying their coaching up at Lancing College with the Head of Hockey.

The U13 and U11 girls' hockey teams both won their games against Sompting Abbotts.

It was a super afternoon of sports, the girls worked hard and had some great passages of play.

Thank you to our wonderful LPWA!

The children thoroughly enjoyed their Beefit Party and Silent Disco events on a Friday after school, courtesy of the LPWA who do so much to enhance and enrich the pupils' lives at the school

Congratulations #1!

Year 2 pupils Cleo and Miles recently received their certificates for completing the RYA Under 8's dinghy sailing course.

Having tacked and jibbed to completing the course over the summer they look forward to more sailing adventures soon.

Congratulations #2!

Ryley (Year 6) and Elodie (Year 4) have taken part in two running events over a single weekend, raising money for two charities.

On the Saturday Ryley ran 2km and Elodie ran 1.5km along Bournemouth seafront raising money for Macmillan Cancer Support. The following day they ran in the Worthing 10K mile race along the seafront raising money for Care for Veterans.

Here they are with their medals on Worthing beach. Their parents are very proud of them, as is the school! These are wonderful examples of 'Go out in the World and Do Good'
