Year 1 explore Toys from Yesteryear

The children had a super visit to Worthing Museum and were lucky enough to have the whole place to themselves! They looked around the exhibits and took part in a 'toys' workshop. They had fun playing with toys from the past, made spinners and enjoyed dressing up.

Years 5 and 6 take on the Cyber Robotics Challenge

The children started work on a STEM (Science, Technology, Engineering and Maths) challenge linked to a real life scenario.

They have been guided through a series of challenges to code an Amazon Hercules robot to deliver presents on time. Children had to link previous learning about block coding and use resilience, persistence, collaboration and logical thinking.

EYFS Nativity

Pre-Prep Nativity

Reception

Delilah P	for independently practising writing her digraphs in the classroom
Harlan T	for using excellent problem solving skills when making a robot
Otto D	for his creativity in the classroom, drawing and making things

Year 1

Amber McD	for working hard in Maths
Andre M	for asking good questions at the museum
Aniket D	for amazing maths work
Grace T	for amazing work with initial blends
Romey F	for being resilient during the museum trip
Rupert W	trying hard with handwriting

Year 2

Asher G	for fantastic maths work on shape
Cleo S	for her good maths vocabulary
Helena P	for being kind and always thinking of others
Trixie G	for persevering with her newspaper report

Well done!

Ryley G in Year 6 and Elodie G in Year 4 took part in the Albion In the Community festive 1.5KM run for charity last weekend. The money they raised goes towards help some of the most vulnerable people in Sussex by providing free sport activities and helping people to get active, learn new skills, and live well.

They ran two laps of the Amex Stadium and despite the freezing condition, they had big smiles on their faces the whole way round. Like their parents, we are very proud of them!

House Points

The final tallies for the Autumn Term are in! Congratulations to Britons for achieving the most this term. Their house treat was a trip to see a film at the Dome Theatre on Tuesday.

Britons	1,754
Celts	1,619
Saxons	1,443
Normans	1,311

Year 3

Fatima C	for excellent performance skills, while being a presenter during our Strictly Historical Dancing Competition
Sofia S) for capitalising on her spare time at home to voluntarily write a set of instructions, which we had been learning about in English lessons

Year 4

Elliott S	for excellent performance skills, while being a presenter during our Strictly Historical Dancing Competition
Rory G	for excellent levels of focus and persistence while completing his fact file on Jellyfish.
Tilly R-C	for being focussed and persistent when learning about the use of possessive and plural 's'

Year 6

Beatrice D) for a beautifully painted monochromatic scale picture) demonstrating excellent methodical and independent learning powers
Bella L) for a beautifully painted monochromatic scale picture) demonstrating excellent methodical and independent learning powers
Constance D F) for a beautifully painted monochromatic scale picture) demonstrating excellent methodical and independent learning powers
Fraser S) for a beautifully painted monochromatic scale picture) demonstrating excellent methodical and independent learning powers
Reuben D) for a beautifully painted monochromatic scale picture) demonstrating excellent methodical and independent learning powers
Sienna B-W) for showing real focus and persistence, being a Relating fed Fox, when writing a balanced argument. Keep this up!
Sophia S) for a beautifully painted monochromatic scale picture) demonstrating excellent methodical and independent learning powers

Year 8

Benjamin B	for crafting exquisite creative writing after being inspired by an opera and a ghost story!
Chloe L	for a very resourceful and independent effort in consolidating Chemistry work this term

Congratulations!

Well done to Year 7 who won the annual Strictly Come Historical Dancing competition with their spirited medieval dance, which they danced with great precision.

All four year groups worked hard during the morning to learn the dances and prepare their performances. Year 5 presented a formal Tudor dance in the style of Henry VIII and Year 6 performed a lively 20th Century dance routine. Year 8's Tudor dance featured Elizabethan steps.

The judges were Mr Grimshaw, Mrs Milling and Miss Bennet offered insightful and constructive criticism before giving their scores, and the presenters sparkled with their post-dance interviews with the dance captains.
