News Bulletin

10 February 2023

Reception meet the reptiles!

The children had a wonderful visit from Jaws N Claws who brought along with them all manner of exotic creatures

It was very exciting for the children to observe and touch some amazing animals including snakes, a tree frog and a bearded dragon.

Pre-School cook up a Crumble

Our early years children just love the story of Julia Donaldson's *The Gruffalo*, and had lots of fun making their own versions of the Gruffalo crumble, although theirs were made with tasty apples, rather than Gruffalos!

Children's Mental Health Week

The children across the year groups have been engaging in a wide range of activities as they explore the importance of making connections with other people.

In Reception the children talked about how we can make each other happy by being connected and saying kind things. They played a game where they held hands then had to pass a hoop around the circle without letting go of each other's hands. The first time was very difficult but the children soon realised they could help and encourage each other. Each time the hoop was passed on the child would say a kind thing to the next child, for example, thank you for being my friend. They enjoyed it so much they asked to play it again the next day!

The children in Year 4 read the book 'The Invisible String' by Patrice Karst. The children discussed their invisible strings and who they are connected to – family, friends, pets, people who have died or they no longer have much contact with. We talked about the different ways we can connect with others: talking, messaging, online games, sharing, playing games, joining in activities, writing letters, helping one another and being kind. Elliott said being kind makes him feel good. Hattie explained her friend moved away and she plays with her online and they chat together.

The Year 5 children had 'Connection Circle Time' where they talked about the people they had made connections with that day and how it made them feel. Vivian and Barney waved and smiled at each other. William and Thomas made a new friend yesterday. Bertie had spoken to a friend on the phone and Leah said playing with her friends made her feel happy. We talked about the benefits of connecting with others, learning from one another, being kind and making others feel good, building our own confidence and improving our mental health.

Chinese New Year

LPW celebrated the Year of the Rabbit in fine style, as can be seen below!

The Green Team

The twelve pupils from across the Prep years have been working hard on environmental matters at the school. Their recent achievements include the introduction of recycling all dining room food waste by a company called Re: Food!

Working in four smaller teams, they are researching ways to improve the quality of activities at LPW. Three of teams will be reporting back on the topics of Compost, Wildflowers and Bug Hotels. The fourth is preparing for a 'Green Action' school assembly.

We're also looking forward greatly to celebrating Earth Day in April with drama and environment workshops arranged for every primary year group.

Victorian Picnic Extravaganza

Year 8 pupils have been getting creative with their History projects on buildings. Lucas chose to study the iconic Brighton Palace Pier, and made a superb spread based on his interpretation of seaside picnics, a tradition that began in Victorian times and is of course still very popular today!

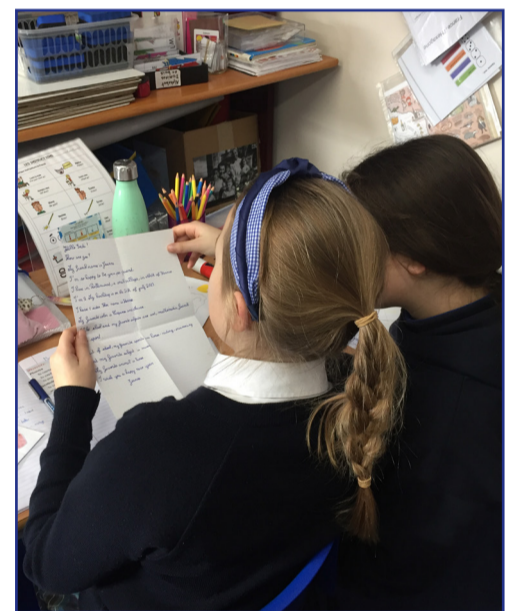

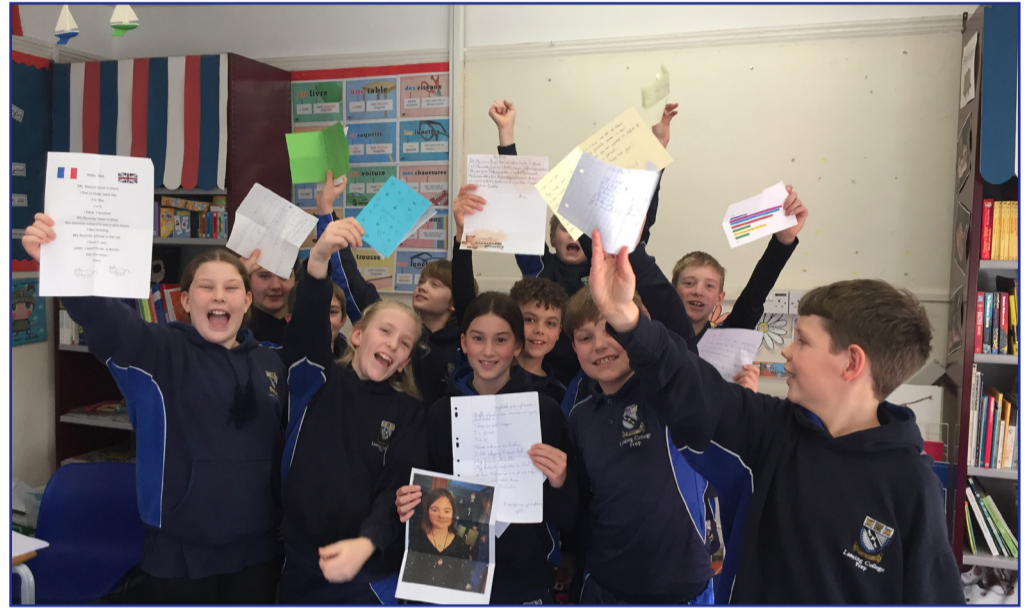

Lucas brought his lovely food into school and everyone enjoyed sampling it!

Year 6 hear from their Correspondants

The pupils have received their first letter from their pen pals from France. They were over the moon!

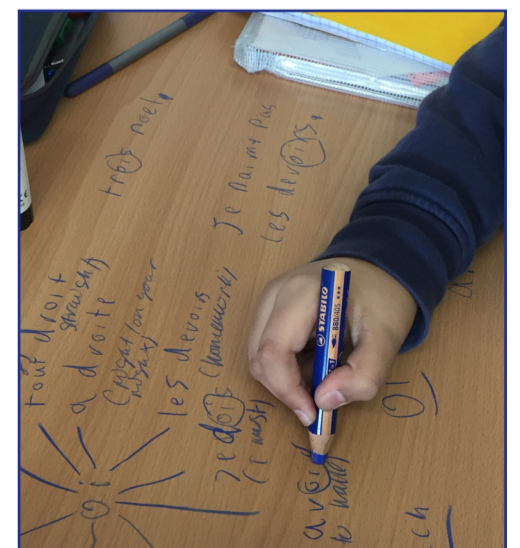

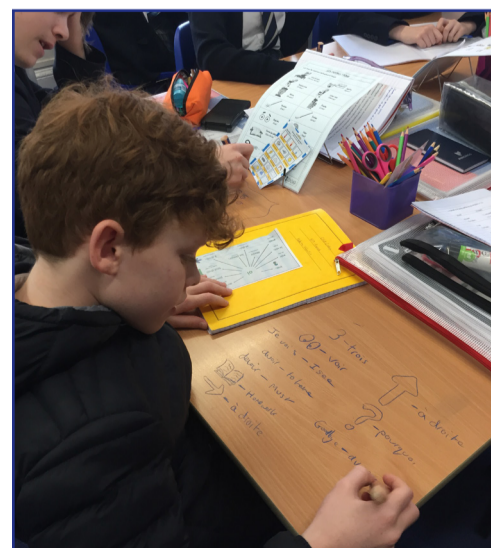

In addition being able to make a link with a pupil overseas, receiving these letters created connections between the children here in the classroom. The children spontaneously shared the contents of their letter with each other. It was heart-warming and a little surprising to see how strongly a simple letter could make such connections and engage the children in discussion.

Years 7 & 8 try a new, eco-friendly way of learning vocabulary

Our new eco-friendly wax pens have made the children's day! They were very excited to learn their French vocabulary by writing on the classroom desks.

It has proved to be a very efficient process. In 15 minutes, all of them were able to say the meaning of 12 words and write them accurately. A wide variety of learning styles were displayed on the desks and they showed great focus and concentration. Their love of learning was clear and positively active. This way of learning has been adopted by the pupils with great enthusiasm!

Year 7 go pop in DT

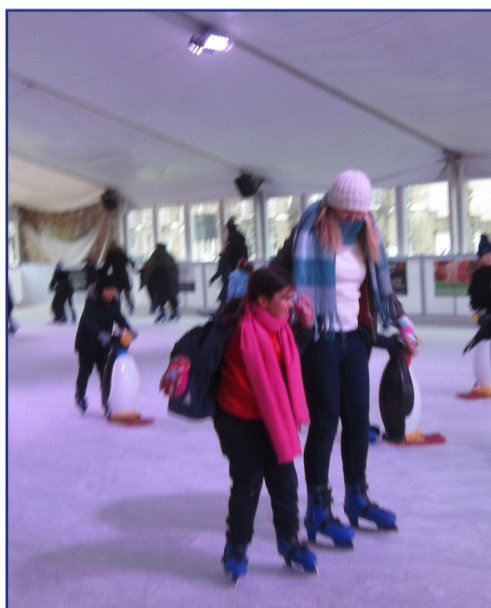

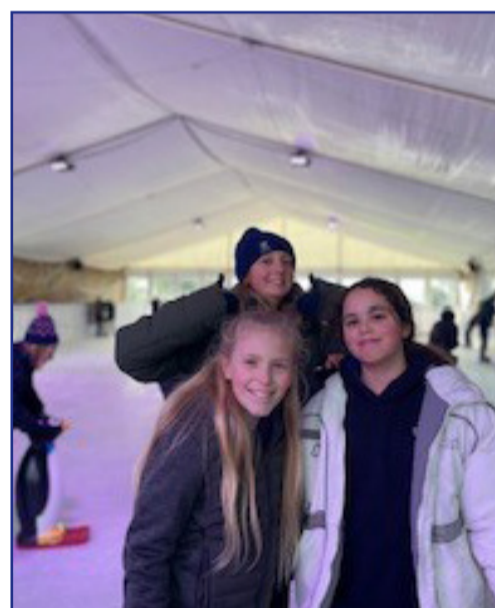

The children have been discovering Pop Art and have been learning about the artist Roy Lichtenstein and how he uses comic book images to create pieces of popular art.

Onomatopoeia is when a word sounds like the noise it is describing and is often used in comic books to show sound effects like Crash! and Bang!

In DT the children have used coping saws to carefully cut out these low relief wooden onomatopoeia clocks. They have painted them with bright vibrant colours to make them really stand out. They've made a super job of these eye-catching timepieces!

Ice Skating treat

Our school is so fortunate to have its wonderfully supportive LPWA, who do so much to enhance the children's co-curricular activities. They enjoy so many super treats for them during the course of the school year and they loved every minute they had taking to the ice and having fun!

LPW support the Seagulls!

A group of children from Years 5 to 8 were thrilled to attend the Brighton & Hove Albion Premier League game at the Amex against south coast rivals Bournemouth.

The Seagulls secured victory by a single goal scored late in the match, which was enthusiastically celebrated by the children.

Their experience was further enhanced by an LPW shout-out at half-time, which appeared on the big screen behind the stadium announcer and parent of the school, Mr Richard Reynolds! They had flags to wave (which they did throughout the 90 minutes) and were given Premier League sticker books and stickers to feed their enthusiasm. It was a truly wonderful day out!

Reception

- Delilah P for amazing independent writing, and for always doing more than the minimum - such a Resourceful Ranger!
- Emily A for the wonderful story she wrote at home
- Emily S-Y for writing independently in her child-initiated play
- Felix H for his fantastic yeti story!
- Jacob M for number bonds to 5 work
- Otto D for accuracy and care when writing numerals
- Pasha S-N for his beautiful letter formation
- Phoenix P for super independent writing; for getting changed so quickly for PE, and for listening so carefully to instructions

Year 1

- Adiella I for great progress with her reading
- Ameera M for being resilient in the mornings
- Joshua L-B for an amazing Percy the Park Keeper booklet
- Rory B for an amazing Percy the Park Keeper booklet
- Toby C for lovely work with the doubling rule in grammar

Year 2

- Asher G for great story mountain ideas for a Katie Morag story
- Chloe B for seizing opportunities to try Maths problems
- Cleo S for her improvisation as 'Katie Morag'.
- Daniel M for fantastic work in multiplication and division
- Frankie M for good adverb work
- Jacob S-Y for excellent delving deeper into our topic and science work this week
- Mae C for thinking about, and using, what she has learnt
- Matthew S D S for making connections in his learning
- Miles C for being a Resilient Ruler with his Maths work on money
- Primrose G for super understanding of Maths, using money
- Roman B-C for enthusiastically completing Katie Morag comprehension work
- Trixie G for reminding others of arrays in Maths, and for naming four things an animal needs to survive
- Zara H for fantastic partner work in multiplication in Maths

Well Done!

Bravo!
Jonathan C in Year 6 thoroughly deserves his Head Teacher's Award given by Mrs Beeby for completing 500 days studying French with Duolingo. This is a feat he has achieved without having to invoke a streak freeze at any time!

Mme Valantin has commended Jonathan for this amazing achievement which has helped him with his French so much.

It also shows his brilliant attitude to learning - a perfect example of persistence and independent study. These are life skills that he will be able to transfer to other subjects at school. We are very proud of him!

Year 3

All Year 3 pupils	for being Resourceful Rangers and creating an imaginative non-chronological report on their mythical creatures
Adelaide P) for capitalising on her spare time to produce extra research about Ancient Egyptian pyramids to further her learning
Chloe R) for capitalising on her spare time to visit the British Museum to learn more about Ancient Egypt and presenting what she discovered to her class
Clemmy D	for being a Resilient Ruler in Maths and being adventurous within his work
Maisie C	for consistently trying her best in all lessons and always being focused
Sia S	for being a Resilient Ruler in Maths and being adventurous within her work
Zara R	for crafting an excellent mythical creature and adding wonderful descriptive language when labelling it

Year 4

Amalie S) for making excellent links to our focus text, <i>Escape from Pompeii</i> , when completing her retelling of the story, from the point of view of one of the main characters, and for being an independent and imaginative learner by crafting an amazing 3D poster inspired by the French picture book <i>Dans la galette, il y a</i>
Cameron B) for demonstrating excellent methodical skills in our Maths lessons, taking a step-by-step approach to answering questions involving methods of division
Dylan C) for being methodical, independent and persistent in the crafting of his creative French booklet about la galette des rois
Eithne N W) for demonstrating excellent focus and perseverance during English, while creating a newspaper report about Pompeii
Elliott S) for fantastic levels of focus and perseverance while learning about length and measures, especially equivalent lengths, in Maths.
Francesca G) for transferring a lot of words from the French picture book <i>Dans la galette, il y a</i> in a methodical and imaginative poster, and for showcasing brilliant levels of independence, imagination and creativity while creating a newspaper report about Pompeii, demonstrating an excellent understanding of the tone and purpose of this text type
Hattie S	for making excellent links to her Times Table knowledge, while completing questions using methods of division

Year 5

All Year 5 pupils	for loving learning about Epiphany in France and for crafting beautiful 'couronnes' (crowns)
Barney T	for crafting a very accurate and informative poster on the meerkat's adaptations to its habitat
Charlotte McD	for fantastic collaboration with her partner in crafting an introduction
Harrison W	for always being adventurous and volunteering answers, showing linking between lessons
Leah M	for showing impressive focus in English leading to improvements in handwriting and spelling scores
Theo K	for fantastic collaboration with his partner in crafting an introduction
Vivian B	for delving deeper with her History homework and completing a fantastic PowerPoint on Tudor punishment

Year 6

Ailsa McL) for showing excellent collaboration and persistence during a maths puzzle, and for being adventurous in English and always having a go, surprising herself with the amazing results!
Beatrice D	crafting a very imaginative and accurate spacesuit design, using scientific knowledge and understanding
Constance D F) for showing excellent collaboration and persistence during a maths puzzle, and being self-aware with regards to how she is improving and relating this to other subjects
Harry C) for being focused, methodical, persistent and for loving learning French by completing his Lego architecture set about Paris monuments, and for crafting a very imaginative and accurate spacesuit design, using scientific knowledge and understanding
India G	for crafting a very imaginative and accurate spacesuit design, using scientific knowledge and understanding
Jonathan C) for being persistent on Duolingo French and achieving a 500 day streak, and for crafting a very imaginative and accurate spacesuit design, using scientific knowledge and understanding
Joshua C	for crafting a very imaginative and accurate spacesuit design, using scientific knowledge and understanding
Misha M	for crafting a very imaginative and accurate spacesuit design, using scientific knowledge and understanding
Rex R	for showing kindness and responsibility when caring for the classroom
Ryley G	for showing excellent collaboration and persistence during a maths puzzle
Sophia S	for crafting a very imaginative and accurate spacesuit design, using scientific knowledge and understanding
William P	for showing kindness and responsibility when caring for the classroom

Year 7

Bertie F) for capitalising perfectly well on his French conjugations, this half term and for being adventurous by preparing the Concours d'Art Oratoire at the College in French
Unaysah K) for capitalising perfectly well on her French conjugations, this half term and for being adventurous by preparing the Concours d'Art Oratoire at the College in French

Year 8

Florence D) for reflection and being a self-aware scholar in English, and for her methodical, imaginative and crafty leaflet on the big department stores in Paris at Christmas
Jake G) for being independent, empathetic and brave when reading poetry aloud to a large audience on Holocaust Memorial Day
John H	for being an inquisitive and adventurous learner in his research related to Shakespeare and The Globe Theatre
Lucas C	for crafting a huge mountain of delicious cakes and treats so that pupils and staff could enjoy a Victorian picnic
Molly B) for being independent, empathetic and brave when reading poetry aloud to a large audience on Holocaust Memorial Day
Oliver S	for reflection and being self evaluative in English, leading to improved essay construction
Purdey M) for being an adventurous and linking learner: using poetry to inspire her choice of a character when writing creatively

House Points

The House Point totals for the beginning of term are in! Congratulations to Britons for topping the leader board.

Britons	1,099
Saxons	894
Celts	825
Normans	822
