LPWA Notices

Thank you for supporting the Sports Day refreshments.

Thanks to your kind generosity, you will now know, that all the children in school will be benefiting from £10 towards their Third Generation Day.

Dates for your diary

AGM & Committee Meeting Wednesday 4th October 2023

Fireworks Night Friday 10th November 2023

Fact of the Week!

The Eiffel Tower can be 15 cm taller during the summer, due to thermal expansion meaning the iron heats up, the particles gain kinetic energy and take up more space.

A Lancing College Preparatory School

News Bulletin

30 June 2023

Matilda

Congratulations to our Prep School pupils who, last week, showcased their talent in a production of Matilda the Musical. There are so many words to describe our school production: awesome, marvellous, outstanding, magnificent, splendid, superb, remarkable, exceptional, tremendous, and the list goes on. A huge well done to everyone involved, including casting, costumes, set design, props, choreography, and, of course, singing and dancing. We are already looking forward to planning next year's production!

If you would like to view the full photo gallery or purchase an image, please visit: <https://loveheartphotography.pic-time.com/-matilda> and enter 'Chokey'.

School News

Sports Day

Last week sports took centre stage as we celebrated Sports Day. The children were exceptional and gave their all during the events. The younger children competed in the egg and spoon, bean bag, and sack races. The older pupils competed in the 80m, 150m, and 600m races along with an obstacle course, finishing with a lovely picnic on the school field. Thank you to all our lovely families for coming along to support us. The children had a great day.

Year 1 Pizza Making with Kenny Tutt

Year 1 had a fabulous morning with Kenny Tutt, winner of Masterchef 2018, making delicious pizza (while using mathematical language involving measurements) in our Food & Nutrition room! Thank you to Kenny; the children had a fantastic time.

Year 2 gets a visit from a tortoise

Year 2 had a fantastic time meeting Sheldon the tortoise. They enjoyed feeding him salad leaves and learning all about tortoises!

Year 3 Sand rake project

Year 3 have just completed their sand rake project. First, they tested real sand rakes in sand to find out how well they worked and whether they had a good grip. Using their findings, the children then used the scroll saw to cut corriflute combs and the junior hacksaw to cut wood for the handle. Finally, they decorated and made excellent grips for their

Year 4 children have poems published

The Year 4 children are thrilled to have had their poems published in the Poetry Towers book, which is part of the Young Writers UK Poetry Towers Competition. Well done Year 4!

LAMDA Success!

We have had our most recent set of LAMDA (London Academy of Music and Dramatic Art) results through, and we are delighted to report an outstanding set of results. 100% of our pupils passed with either merit or distinction. Well done to you all—amazing!

Year 6: Visit The Bowerman Charitable Trust, Champs Hill

Year 6 pupils had a fantastic time at Champs Hill, where they viewed the art collection, explored gardens, found amazing sculptures, and participated in a house challenge to make a bird out of natural materials. Well done to all the children who survived the 27-degree heat!

Final Teambuilding event at Lancing College

Year 7 had fun with water at this year's final team-building activity at Lancing College. Could they move the ping-pong ball from cup one to cup five, one at a time? The pupils all realised they had to almost overflow the cup before they could blow the ping pong ball across to the next one. Then, if you had a cup on your head, could your friend fill it with water from the other cup? Whoever crosses the finish line first wins! Rock, Paper, Scissors, which they played in couples, marked the end of the session. Well done, Year 7.

Gravestone Recording

Some of Year 8 learned about the usefulness of gravestone recording as a social history aid and had a go at recording some gravestones in the local churchyard. It's not as easy as it looks!

School News

Year 7 Geographers explore Broadwater

It was singularly appropriate that the Year 7 students had a fieldwork experience trip with Dr. Bustin from the College during the National Fieldwork Week run by the Geographical Association. They walked around our local Broadwater area to explore the urban geography of our home 'patch'. They completed surveys, made notes, and made field sketches, which they later evaluated back at the school.

Year 8 Maths

Year 8 has been studying several number systems, notably binary and the ancient Babylonians' hexagesimal system. On their "clay tablets," they tried documenting their base-60 numbers, Pythagorean triples, and multiplications in cuneiform.

They have also been learning more archaeological math skills, this time Tri-lateration for accurate scale planning of 2-D areas. They went back to the classroom and then accurately scaled the plan at 1:20 with pairs of compasses and rulers.

School News

Year 8: Have fun after exams!

The summer term is always a mixture of hard work for exams, followed by some well-deserved activities and trips for Year 8 as they come to the end of their LPW journey. Post-Common Entrance, the pupils enjoyed a treat at a local coffee shop, reading the papers and debating current affairs while enjoying some delicious drinks.

Year 8: First Aid Course

Pupils have been working towards completing their First Aid course.

Letter from Kensington Palace

Recently, we were delighted to receive a letter from Kensington Palace. Following on from last year's LPW Earthshot competition, the Prince and Princess of Wales wrote to say how pleased they are that we are running a green competition inspired by their own. 'It was very encouraging to hear about your support for The Prize and the enthusiasm that it has generated in your school.'

The LPW Earthshot competition is bi-annual and last ran in 2021–22; please look out for news in 2023–24 of the next competition! Now that we have royal support, we are going to make the next competition even bigger and better!

School News

Year 8 Fun Day Out

Year 8 celebrated the end of exams with the annual tradition of a fun day out. They started off with a rounders match, then headed to Brighton Palace Pier, where they had some fun on the roller coasters, ghost train, and bumper cars, and finished off with seeing Spiderman: No Way Home at Dome Cinema.

Archaeological Dig

Broadwater Manor House is the home of LPW, and the house and grounds are steeped in history, which can be traced all the way back to the Domesday Book. There have long been intriguing parch marks appearing annually on the school field as the ground dries out in the warmth of the summer sun. Rumours have abounded of remains under the ground—possibly part of the original manor house, a Tudor building, or even a Roman villa! A chance conversation and a rash 'let's dig it up' idea led to a term-long project for our Year 8 pupils. This week they have been busy digging and have quickly gotten the hang of trowelling, filling buckets, and transporting to the soil heap. Finds appeared quite quickly—no treasure but items with their own little stories. Well done, Year 8!

Congratulations

Chess results

Congratulations to our chess team, which competed against 16 local schools from across Sussex in the Butler Cup U14 competition this week. They won 4 out of 4 games in round 1, 3 out of 4 games in round 2, and 4 out of 4 games in round 3. This led them to victory with the highest scores in the division! A huge congratulations to the four pupils that competed, and a special well done for being so sportsmanly, shaking hands before and after every game.

Year 2 children celebrated Amina K's birthday last week with a lovely cake that had a photo of the front of the school building on the front. Happy 7th birthday, Amina!

Well done to Reuben D, who got the Manager's player of the season award for Worthing United's U11 Youth Team.

Well done to Freddie B, who took part in a local football tournament for Billingshurst FC and made some brilliant penalty saves, thereby helping his team win the tournament.

Well done to Cameron and Leah B. Cameron has raised money for the Alzheimer's Society, raising a total of £110 selling ice cream. Leah also took part in a charity singing concert in her village, which raised over £1000 for the Alzheimer's Society.

Well done to Bertie C, who had a stall at the Summer Fair and sold homemade lavender bags, which he cut out and stuffed himself. He and Charlotte did a great job of selling them on the day and made enough money to adopt two otters, Tik and Tok. The otters were rescued by the Wild Otter Trust and hope to be rehabilitated in the wild someday.

Well done to Beau and Felix H, who went to two author events at the Brighton Festival last month and really enjoyed meeting the authors afterwards. MG Leonard, who wrote the Beetle Boy trilogy, inspired Beau to get his collection of pet Sun Beetles. Horrible Histories with the illustrator Martin Brown, who gave a brilliant talk on how all children can draw if they practise enough.

Congratulations

ABRSM Results

Below are the fantastic exam results from this years ABRSM (Royal Schools of Music).

Name	Level	Instrument	Mark	Grade
Cody M		3 Piano	131	Distinction
Janani R		3 Clarinet	107	Pass
Esmee M		1 Clarinet	126	Merit
Peaches C		2 Singing	116	Pass
Amalie S		2 Singing	115	Pass
Sofia S		1 Singing	110	Pass
Sia S		1 Singing	116	Pass
Skantha NR		1 Violin	108	Pass
Ala K		2 Violin	114	Pass
Harry C		2 Violin	109	Pass
Martha M		3 Violin	108	Pass
Rosie E	P/T	Piano	N/A	
Tilly RC	P/T	Piano	N/A	
Primrose G	P/T	Piano	N/A	
Elliot G		3 Piano	126	Merit
Eileen C		3 Piano	135	Distinction
Harry C		3 Piano	121	Merit
Leila F		3 Singing - Music	131	Distinction
Charlotte M		3 Singing - Music	117	Pass
William B		2 Singing	131	Distinction
Beatrice D		5 Singing	135	Distinction
Elodie G	P/T	Piano	N/A	

Congratulations to one of our academic scholars, Imogen W, for being shortlisted for The Orwell Youth Prize 2023. Once scholarship exams were over, English lessons were given over to writing poetry and prose for pleasure. Imogen's poem, 'The Appeal of Power', is indeed powerful. She will attend the prize-giving ceremony at UCL on 8 July and will participate in a poetry workshop with Anthony Anaxagorou. Good luck, Imogen!

Tilly R-C and Peaches C had a lovely time last Saturday being Mumma (Peaches) and Puppa (Tilly) in their West End theatre group production. They sang, danced, and acted with a huge group and coped very well with the pressures of performing in front of a huge crowd. Well done!

Bannister Mile

We were pleased to hold our annual Bannister Mile this year at Broadwater Green, and we are pleased to announce we raised over £2195.63 for the DEC Turkey and Syria Earthquake Appeal. Thank you to everyone who sponsored us.

Here is a picture of William P with Sheku Kanneh-Mason. He had the privilege of playing alongside him last weekend at the National Children's Orchestra! Well done, William!

Tilly R-C has worked so hard in such a short amount of time to reach her 50-metre badge in swimming! Well done, Tilly.

LPW
Be
Kind

Reception	
Otto D	for showing doubles to 20 with the Numicon and cubes!
Felix H	for showing doubles to 20 with the Numicon and cubes!
Phoenix P	for the super detail he put into his whale painting
Emily S-Y	for her creative 'Under-the-Sea' role play idea
Year 1	
Rory B	for persistence and determination in the Bannister mile
Pasha D	for illustrating a sound story
Aniket D	for increased confidence in the classroom
William J	for a lovely mehndi pattern in REP
Amber M	for inventing an amazing flying machine
Andre M	for persistence and determination in the Bannister mile
Year 2	
Chloe B	for being constantly organised and helpful
Roman B-C	for recalling important information in PSCHÉ
Leah B	for being a resilient ruler in maths learning Time
Magnus D	for good dictionary work
Primrose G	for using time words to describe her day
Asher G	for your fantastic monkey painting in Art
Lana G	for being so welcoming to a visitor
Zara H	for your fantastic work on statistics
Amina K	for your fantastic presentation and neat work
Oscar K	for being a resilient ruler in maths learning time
Toby S	for your amazing painting of a lion
Jasper S	for remembering the term 'Physical Features' from a previous lesson

Year 3	
Freddie B	for independently crafting an inquisitive PowerPoint about Brighton in the Victorian times for his Victorians History delving deeper homework.
Orlando B	for fabulous independent Science research on Mary Anning and fossils with lots of detail.
Fatima C	for inquisitively and independently carrying out research into the work of Alexander Graham Bell and presenting her findings beautifully.
Maisie C	for persistence and focus throughout our Maths lessons.
Clemmy D	{for always following our school aims by being kind. {for fabulous independent Science research on Mary Anning and fossils, lots of super detail.
Emily E	for following our school aims by being a kind and caring individual who is happy to work collaboratively and support your friends when they need it.
Isla L	for inquisitively and independently carrying out research into the work of Alexander Graham Bell and presenting her findings beautifully.
Rishita M	for always being so helpful to others and being adventurous, particularly in our Maths lessons.
Anneka MDC	Fabulous independent Science research on Mary Anning and fossils.
Zara R	{for inquisitively and independently carrying out research into the work of Alexander Graham Bell and presenting her findings beautifully. {for crafting a Punch and Judy show with a script to perform in front of Year 3 as part of her Victorians History delving deeper work.
Year 4	
Damian B	for demonstrating an excellent understanding of decimal numbers, in our recent maths lessons, transferring skills and making links to other areas of maths.
Dylan C	{for a fabulous Science report on the Endangered Green Sea Turtle, super detail. Great linking and transferring. {for voluntarily sharing and talking about his Victorian artefacts with Year 3 to support their learning in History.
Jasper D	fabulous Science report on the Endangered Sunda Tiger, super detail. Great linking and transferring.
Elodie G	{for showing great levels of resilience and a determination to succeed while learning about decimal numbers. {for a fabulous Science report on the Endangered Snow Leopard, great detail. Super linking and transferring.
Francesca G	{for a fabulous Science report on the Endangered Giant Panda, super level of detail. Great linking and transferring. {for creating a highly imaginative island design inspired by 'How to Train Your Dragon'. You used ambitious and adventurous vocabulary to describe it.
Rory G	{for a fabulous Science report on the Endangered Green Sea Turtle, super detail. Great linking and transferring.
Esmee-Lily M	for persisting with Senior Chess Club every week and being an open minded learner.
Cody M	{for producing a creative and imaginative alternative front cover for 'How to Train Your Dragon'. {for a fabulous Science report on the Endangered Green Sea Turtle. Super linking and transferring. {for creating an imaginative island design, inspired by our class text 'How to Train Your Dragon'.
Elliott S	for a fabulous Science report on the Endangered Sunda Tiger, super level of detail. Great linking and transferring.
Hattie S	for developing highly imaginative ideas when planning for your travel brochure all about your island creation, inspired by our class text 'How to Train Your Dragon'.
Ethan S	{for a fabulous Science fact file on the extinct Great Auk, super labelled illustration. {for demonstrating great resilience and perseverance when learning about time in lessons this week, especially when converting between 12-hour and 24-hour digital time.
Year 5	
Barney T	for a very resourceful and well-crafted homework presentation on the Forces topic.
Harry C	fabulous delving deeper in Science looking into Natural Selection and Darwin's theory. You clearly loved this topic and investigating further.
Ryley G	for fabulous Science homework on Darwin's finches and other bird species. Super detail.
Theo K	for a very resourceful and well-crafted homework presentation on the Forces topic.
Charlotte M	for a very resourceful and well-crafted homework presentation on the Forces topic.
Skantha N-R	for a very resourceful and well-crafted homework presentation on the Forces topic.

Year 6	
Sophia A	for super Science homework on similarities and differences of the fossil horse compared to the modern day horse. Excellent reasoning.
Joshua C	for super Science descriptions on the Evolution sheet, linking and transferring from past weeks.
Constance DF	for super Science homework on similarities and differences of the fossil horse compared to the modern day horse. Excellent reasoning.
Ryley G	{for super Science homework on similarities and differences of the fossil horse compared to the modern day horse. Excellent reasoning. {for super Science descriptions on the Evolution sheet, linking and transferring from past weeks. {for fabulous Science homework on Darwin's finches and other bird species. Super detail.
Max B	for super Science descriptions on the Evolution sheet, linking and transferring from past weeks.
Harry C	for super Science descriptions on the Evolution sheet, linking and transferring from past weeks.
Jonathan C	for fabulous Science homework on Darwin's finches and other bird species.
Beatrice D	for super Science homework on similarities and differences of the fossil horse compared to the modern day horse.
India G	for super Science descriptions on the Evolution sheet, linking and transferring from past weeks.
Jessica W	for super Science descriptions on the Evolution sheet, linking and transferring from past weeks.
Sophia S	{for fabulous Science homework on Darwin's finches and other bird species. Super detail. {for super Science descriptions on the Evolution sheet, linking and transferring from past weeks.
Sienna B-W	{for fabulous Science homework on Darwin's finches and other bird species. {for super Science homework on similarities and differences of the fossil horse compared to the modern day horse.
Bella L	for super Science descriptions on the Evolution sheet, linking and transferring from past weeks.
Year 7	
Eva M	for showing great kindness to a younger pupil.
Regan C	for kindly giving his last over of bowling to another child so that they could have their chance to take a hat-trick.
Year 8	
Kaylee B	for her creative end of year French project about Paris.
Molly B	for her creative end of year French project about Paris.
Lucas C	for his creative and detailed end of year French project about le château de Versailles.
Florence D	for her commendable contribution to the French club.
Jude G	for being open-minded, inquisitive, adventurous and persistent for his end of year French project about Parisian food.
John H	for his end of year French project which displayed all our school's learning powers.
Martha M	for her commendable contribution to the French club.
Purdey M	for her well-researched, well planned and interactive end of year French project about Paris' landmarks.
Abigail M	for her imaginative and well-researched end of year French project.
Janani R	for her outstanding scrapbook about Coco Chanel and Victor Hugo as part of her end of year French project, and for her commendable contribution to the French club.
Oliver S	for his detailed reserach on the PSG for his end of year French project about Paris.
William S	for capitalising on his French lessons in his well-researched and creative end of year French project on Paris buildings, and for his commendable contribution to the French club.
Imogen W	{for being shortlisted for the Orwell Youth Prize 2023, for her imaginative and adventurous writing. {for her outstanding end of year French project about Paris in art displaying the 16 learning powers of our school, for her amazing contribution to the French club and for her commendation in The Anthea Bell Prize for Young Translators organised by Oxford Queen's College.

House Points

The House Point totals for the summer term are in!
