News Bulletin

29 September 2023

### Digital Collections Day

On Saturday, 16th September, we held a special History Day. This was a Digital Collection Day with the aim of preserving the everyday stories and objects of the Second World War.

We asked the local community to come and share their own stories and objects, whether they were from parents, grandparents, or other family members.

The day was a huge success, with 36 stories and countless objects being recorded and over 100 people in attendance across the day.

The day started off with BBC Radio Sussex interviewing our very own Ms Melody Bridges (Head of Humanities & Able, Gifted & Talented Events Co-Ordinator). The interview went live on air just after 9am, encouraging the local community to get involved. The Deputy Mayor of Worthing, Ibsha Choudhury, then opened the event and said a few words.

On the day, we had a fantastic history display board created by Ms Bridges and her pupils. Lancing Brass of the Royal British Legion came along to play second-world war-themed music, which was a big hit with everyone. The Worthing Society also had a lovely stand in the school hall, speaking with people about the history and architectural amenities of Worthing and the surrounding area. Our school chef, Mr Ronald Bell, also put on a fantastic display of ration-type food, including rationing cake, Lemmon Drizzle, and Victoria sponge, along with the classic fruit scones!

We met some wonderful people on the day and heard some touching stories. One that particularly affected us was that of a lady called Margaret, who brought along a photo that was taken in 1942 with her sister Eileen. They were wearing dresses that their mother made from the parachute that saved an airman's life.

Lancing Prep Worthing staff and pupils were on hand throughout the day, helping to run the event and record everyone's stories. These stories, along with photos of accompanying artefacts, will be uploaded to the Their Finest Hour Digital Library, this is a national archive helping to preserve stories before they are lost forever.

**Nursery**

This term, learning about all the people who help us in our community. This week they have been learning about doctors, nurses, and paramedics and have had lots of fun being doctors.

We think the children might want to become doctors after meeting Dr Brown, who came to visit us and explained how she helps people who are ill or who have hurt themselves. A huge, thank you to Dr Brown for giving up her time to come and visit us.

**Year 1 Beach Trip**

Year 1 had a fantastic sunny day visiting Lancing Beach and Beach Hut, where they took part in a beach clean and treasure hunt with Wendy, the Keep Lancing Lovely Officer. She told them all about how important it is to keep the beach clean. They found lots of rubbish to be recycled and thrown away, along with treasure such as crab legs, shells, and snail eggs. They enjoyed an ice cream at the lido, then had a talk with Michelle at the coastal office about beach safety. They were able to sit on the beach quad bikes they use to patrol the beach and went inside the office to look at goose barnacles and a tank with a large spider crab in it.

**Reception**

The Reception children have been learning all about autumn this half-term and have been busy painting. They took inspiration from their lovely autumn display, with children bringing in items from home to contribute to the display.

## Year 2 make castles

This week, Year 2 children have been making castles out of cardboard. They cut out cardboard pieces, made windows and doors, drew bricks, and put it all together.

They were also joined by Jeff and Nugget, who came for a sleepover in the Year 2 classroom.

## Children learn how to look after their teeth

Last week in assembly, Grace and Eve from Pallant Orthodontics spoke to the children in Years 3–8 (and teachers!) about the importance of having clean and healthy teeth from a young age.

## Green Team

This year's Green Team is: Year 3, Chloe B, and Frankie M. Year 4: Reeve E and Clemmie D. Year 5: Eithne N-W and Emily T. Year 6: Harrison W and Barney T. Year 7: Oscar E and Joshua C. Year 8: Devon S and Phoebe B.

## Year 6 pupils participate in a pizza workshop

Last week, Year 6 pupils had a fantastic time at Pizza Express learning how to make pizzas. Just look at our pupils sporting their scrumptious, seasoned, cheesy pizzas with all those toppings and that crispy base!

## Lancing College performs in assembly

Earlier this week, seven music scholars from Lancing College performed a concert during the morning assembly. Theo, Kiara, Lili, Tom, Isaac, and Kate graced the assembly stage with a range of spectacular performances, including bassoon, French horn, cello, oboe, and voice. LPW's very own Grace rounded off proceedings with the infectious rhythms of 'Czardas' by Monti on the violin.

## Chef's Table

This week, our new chef, Mr Bell, created the 'Chef's Table', where he joined one class every day at lunch to gather valuable feedback on what children think of school lunches. Once he has collated all the information, he will share any new menu ideas with the staff and children.

To say thank you to Mr Bell for all the fantastic lunches so far, the children made him a special card and apron. Thank you, Mr Bell!

## Year 5

Year 5 did a great experiment on Monday, looking at how stretchy our socks are. They learnt that socks with nylon or lycra in stretch more. One sock event held over one kilo mass!

Eileen C, Ben F, Francesca G and Oscar W also competed in a maths challenge at Christ's Hospital. Around 65 local schools took part and we came 22nd. They faced each of the 7 challenges with courage and determination.

## Sports News

### Festival of Fun

Last week, the rain held off, and we hosted a fantastic 'festival of fun' with co-ed football and netball matches for Year 4 pupils visiting from Windlesham House School, Windlesham School & Nursery Brighton, Sompting Abbots School, Shoreham College, and Great Ballard School as an introduction to fixtures.

### Colts Football Tournament

On Wednesday, eight teams competed in their annual Colts Football Tournament here at Lancing Prep Worthing. Both of LPW's teams were sadly knocked out at the quarter final stage. However, Lancing Prep at Hove got all the way to the final, only to be beaten 3-1 by a very impressive Windlesham team. The quality of the football on display was extraordinary! Well done to all involved.

## Well Done

Well done to Toby and Hugo who cycled to their swimming lesson and did a 6 mile trail at Bedbury over this week to celebrate National Cycling Week.

Well done to Rory B and Rupert W, who both play for Worthing Rugby Club and have won player awards already this season. On Sunday, they competed in their first tournament and played teams from all over Sussex. They were both excellent team players.

Well done to Orlando, who played in his first ever football match for Thakeham this term and scored five goals last weekend. They beat Cranleigh 12-1.

## Well Done

Well done to Esmee M, who took part in a triathlon at Hever Castle last weekend. She came 38th out of 57 girls racing and took 10 minutes off her time back in July when she raced in Yorkshire.

Well done to Elliott and Devon S, who ran 5k last weekend for the London Battersea dog and cat shelter as part of their annual muddy dog challenge. They raised a fantastic £350.

Another well done to Elliott S, who has now read all the Harry Potter books independently. He has been reading every night for 5 months—what an achievement!

Well done to Lochie S who was put forward for the Sussex Cricket Pathway. This week he found out that he was successful in his trials and has been invited to enrol in the Sussex Under 9's, starting with training in November.

Congratulations to Skantha N-R, who passed her grade 1 Tamil language exams and moved to the next level, grade 2. She also learns Bharatanatyam, a classical Indian dance, and will be sitting her grade 4 exam shortly.

Congratulations to Adiella I who was recently graded for her karate where she has now progressed from a yellow belt to an orange belt. She has also recently received a certificate for 15 metres in her swimming.

YoungMinds is a National Charity who support young people and their mental health. They are promoting World Mental Health Day and showing young people that they are not alone.

On 10th October, World Mental Health Day, we are asking the children and staff to wear something yellow. A hat, socks, jumper, scarf, or headband—anything yellow—will help us promote positive mental health in our school. Together, we can create a brighter future for our children and young people.

### Harvest Festival Donations

It's harvest time again, and you will shortly be receiving invitations to join us for our harvest celebrations. Once again, we are supporting the important work of Turning Tides. Please find attached the Harvest Wishlist from Turning Tides asking for donations for a variety of foodstuffs such as coffee, sugar, jam, and tinned goods. They would also appreciate donations of toiletries and cleaning products. Please drop off your donations at the front gate at school from Monday 16 October onwards.

# House Art Challenge

Create a visually appealing collage using recycled materials.

The theme is :  
Autumn days

Collect a variety of recyclable materials such as magazines, newspapers, cardboard, bottle caps, etc.

On a large piece of paper or card, cut and arrange your materials into your picture, making sure it relates to the theme of Autumn Days.

Use glue or double sided tape to secure your materials in place.

Once you have completed your collage, write your name, class and house on the back of your work.

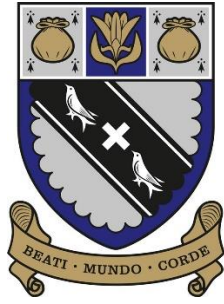

Write a sentence explaining what your collage is about and what was your inspiration.

Bring your work in to school after half term by Monday 6th November.

House points will be awarded for entering and 1st 2nd and 3rd place winners over all.

**GOOD LUCK AND HAVE FUN**

# Lancing College

## News and Events at the Start of the Term

Lancing College's A Level results for 2023 not only bucked the national trend in a downturn of results, but also produced the greatest results for the College in over a decade. There was much anticipation of how this return to the 2019 regime would impact results nationally and individually. Students at Lancing College have performed above and beyond the national narrative, producing another outstanding set of results.

<https://www.lancingcollege.co.uk/lancing-college/sixth-form/level-results>

The Russell Group of elite UK universities again dominates Lancing's most popular destinations. Oxbridge success continues unabated with all of our successful candidates meeting the terms of their offers. They go on to a characteristically diverse range of courses, from English Literature and Language to Biological and Natural Sciences. Review all our student destinations

[https://www.lancingcollege.co.uk/sites/default/files/admissions/Lancing\\_College\\_Leavers\\_Destinations\\_2022-2023\\_FINAL.pdf](https://www.lancingcollege.co.uk/sites/default/files/admissions/Lancing_College_Leavers_Destinations_2022-2023_FINAL.pdf)

Furthermore, Lancing continues its fantastic record of winning places at elite overseas destinations, continuing the proud tradition of cosmopolitan internationalism that is a facet of Lancing life. Read more about this here. <https://www.lancingcollege.co.uk/news/students-excel-university-offers-across-world>

Lancing College has had another year of excellent GCSE results. Over 80% of grades scored were at A\*-B equivalent with a 97% Grade 9 to 4 success rate and 56% of grades awarded in the Grade 9-7 band, the best in recent memory. These results are very favourably comparable to the last year and previous years in which we had examinations without Covid-19 mitigation. Lancing's Grade 9 marks are up this year even on last year's 'cushioned' GCSE results with their mitigation against lost learning during the pandemic. <https://www.lancingcollege.co.uk/news/lancing-college-gcse-results-2023>

"THERE'S SOMETHING SPECIAL ABOUT LANCING" was one of the headlines from the Good Schools Guide team when they visited us in the Summer Term. The Good Schools

Guide is the UK's number one school guide, helping parents in every aspect to choose the best education for their children. You may read the review here [What the Good Schools Guide says about Lancing College by Lancing College - Issuu](#)

Lancing College celebrates its 175<sup>th</sup> birthday this year and at the start of term we revealed the LANCING PORTRAITS. Our 175th Anniversary Portraits have been installed in the Dining Hall and will remain there for the whole year. The shared theme of each portrait is that the person has made or is making a major, positive difference to Lancing and the world. Visit our website to read about each person behind the portrait. We hope that you will see these when you next come to Lancing. In response to parent feedback we are hosting several Small Group Visits this term to highlight the benefits of a Lancing education.

Our first ones this Saturday are almost fully booked but we have a couple of other future dates still with spaces, 7 October and 18 November.
