10:00am-3.00pm

Their Finest Hour is a University of Oxford project that aims to collect and digitally archive the everyday stories and objects of the Second World War that have been passed down from generation to generation.

Do you have any Second World War-related stories and objects passed down to you from your parents, grandparents, or other family members?

Bring your diaries, letters, photos, memories, objects, or stories about your family's wartime experience to our Digital Collection Day, where they will be recorded and added to Their Finest Hour's online archive.

For more information on the project, visit
theirfinesthour.org

PLUS, MORE SECOND WORLD WAR EXPERIENCES, INCLUDING HISTORIAN, LIGHT REFRESHMENTS, AND STEEL BAND
