Lancing Prep Worthing

A Lancing College Preparatory School

News Bulletin

19 January 2024

LPW enjoy the snow!

The first day of term was very exciting with the unexpected snowfall. Whilst only for a short period of time, children enjoyed making snow angels, having snowball fights and trying to capture the flakes.

School News

Year 1 & 2 Dance Lesson

Year 1 and 2 took part in a dance lesson led by Miss Farmery at Lancing College. They had great fun learning new moves!

Year 3 visit Brighton Museum

Year 3 visited Brighton Museum this week to complement their in-class history learning about Ancient Egypt. They carried out the gory process of mummifying a doll in groups, including all of the disgusting parts like dissecting the brain through the nasal passage, and pulling out internal organs through an incision in the tummy. They then explored the Ancient Egypt exhibits at the museum and also revisited the Stone Age, which they learned about last term, in another exhibit. A great time was had by all!

Year 4 correspond with their 'amici di penna'

The children were delighted to receive their Christmas cards from their pen pals in Trento, Italy. They loved reading the cards out to each other and proudly took them home to share with their families. They took a while to get here, but it was worth the wait!

Year 6 play "guess the tune"

Year 6 welcomed Tanya McCarthy, from V2 Radio Sussex, into school this week. She spoke to the children about what her job as a breakfast DJ is like and what a normal day entails. The children then took part in a "guess the tune" pop quiz where they had to guess the music of 10 songs as fast as they could. As a class, they took 2.24 minutes and came in the middle of the league table against other schools taking part. The children were also interviewed about their favourite songs and music. Listen to V2 radio next week, where the recording will be played on air!

As part of the Aspire programme a new challenge box has appeared in every classroom!

This new learning treat is appearing in every classroom from Year 1 right up to Year 8. They are designed to extend children's abilities and to excite them with further challenges. Some activities can be completed in the classroom, some might be taken home – all are fun and engaging!

Back to the Future the Musical

Year 6 headed up to London yesterday to see Back to the Future, the musical, at the Adelphi Theatre. The show was incredible, with some amazing special effects, including a DeLorean that magically appears and flies! They all had a fantastic time.

Afternoon of Drama

Last week, our Drama and All-Rounder Scholarship candidates performed their work to family and friends. It was a wonderful afternoon, and everyone left feeling very inspired. A special thank you to Miss Zeidler for organising the event, for her fabulous teaching, and for building self-confidence within our pupils.

Mayor of Worthing leads assembly

We were delighted to have Jon Roser, Mayor of Worthing, visit us for an assembly where he shared his words of wisdom about civic service and helping others. He inspired pupils to 'go out into the world and do good' as well as discussing the road to him becoming Mayor. He complimented our children on their terrific questions.

New Year's resolutions assembly

In Prep assembly this week, we looked at New Year's resolutions and how we can achieve our goals. At LPW, we want to make sure that all pupils receive the best results that they can and that every child fulfills their potential.

We spoke about what each of us wanted to achieve by setting both short and long goals, and how many different people had achieved their goals, such as Richard Byerly, who climbed Mount Kilimanjaro aged 87, or Michael Jordan, who was one of the greatest basketball players ever despite being cut from his secondary school basketball team.

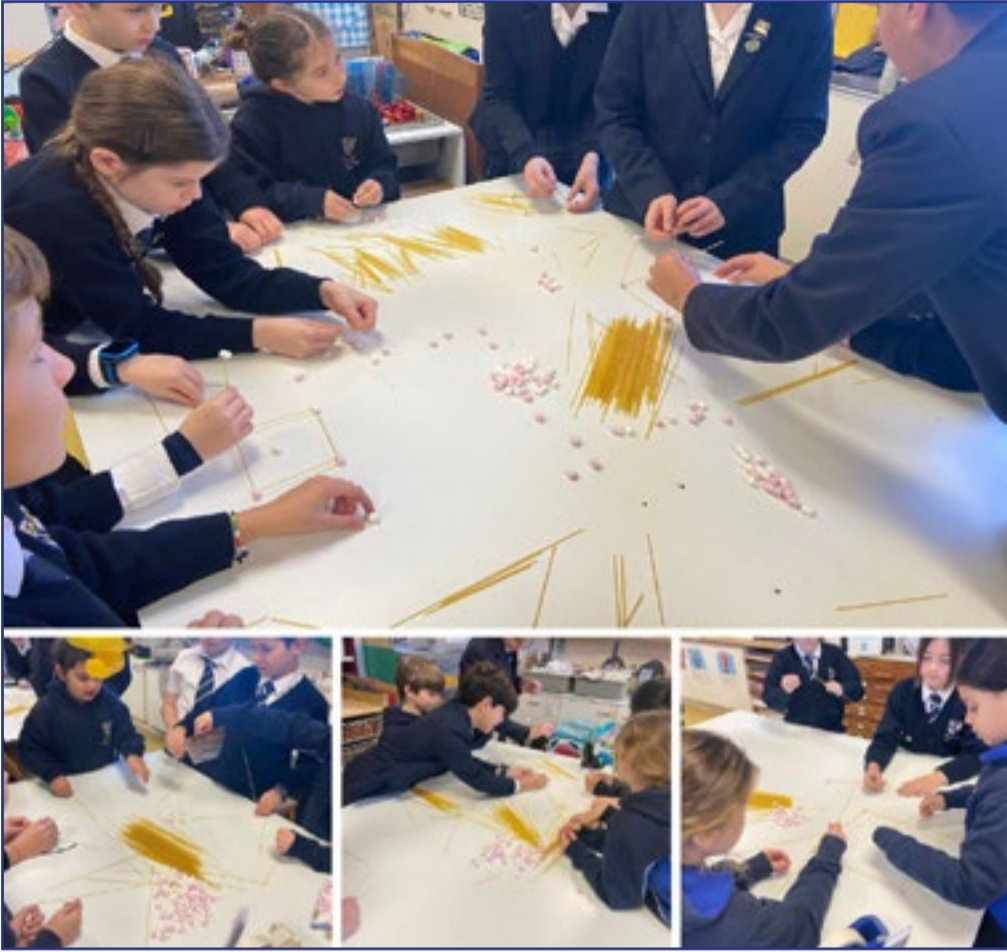

We finished by watching various houses complete set challenges to show that by working together, we can all achieve our goals, so long as we keep on trying. Even when we find our goals difficult to achieve, we should never give up, work hard, and help one another reach our goals.

School News

Celts team build

During our House meetings this week, the Celts did some team-building exercises to see who could build the tallest tower. They also decided to join the Durracell Big Battery Hunt.

Celts Big Battery Hunt

During our house meetings last week, Celts House decided to become more environmentally friendly as their new year resolution. They have been designing boxes for the whole school to deposit batteries into until Wednesday 12th June.

The Big Battery Hunt is an educational campaign aimed at raising awareness about recycling batteries. By joining this initiative, our school community will play a significant role in promoting environmental responsibility while also having the chance to win fabulous prizes! The more batteries we collect as a school, the higher our chances of winning exciting prizes, including cash rewards and educational resources.

To make this initiative even more exciting for our students, we have decided to introduce a friendly competition between classes. Each class will be responsible for collecting the batteries, and the class with the highest number of batteries collected will win a special prize. This competition will not only motivate the students but also reinforce their understanding of the importance of recycling.

We strongly believe that parental involvement is integral to the success of this initiative. Engaging with your child/children about the importance of recycling batteries and encouraging their participation will enhance their learning experience and contribute to a stronger eco-conscious community.

Thank you for your ongoing support, and we look forward to a successful and environmentally conscious campaign with your contribution. Together, we can empower our students to become responsible global citizens.

Well Done

Well done to all our pupils who entered the BBC 500 words competition. A special congratulations to our pupils, Tilly W, Jessica W, Mae C, and Maisie C, who have progressed to the second round. Only about 5000 stories have been chosen by the judges to go through to the second round. We are proud of all our pupils who enjoy writing for pleasure, and we wish these four the very best of luck in the next round.

Well done to Clemmy D, who just before Christmas delivered a box of treats to the doctors and nurses at the Children's Accident and Emergency Department at Worthing Hospital. When he visited the hospital a few months ago, he was concerned with the lack of books and toys in the waiting area, so he sorted out his bookcase and got a big pile to donate.

Well Done

Well done to Emily T, who before Christmas took part in her first competition with Brighton & Hove Athletics at the Sussex Athletics Sportshall event. Emily took part in a speed bounce, a vertical long jump, a relay, and a paarlauf. Her Brighton team won the day, and she scored some great points in speed bouncing.

Ryley G and Eloide G had a lovely surprise when they attended the Ferring Cricket Club awards night on the 18 December and were selected to receive awards for this season. Ryley won the junior batting trophy, and Elodie won the junior fielding trophy. Well done to both of them!

Mr Richards now Head of Co-Curricular

We are excited to share that Mr Keith Richards, along with his existing role as Assistant Head, Director of Sport and EVC, is now Head of Co-Curricular. With 59 clubs and activities already, the Lancing Prep Worthing experience offers a fantastic variety of co-curricular opportunities for pupils to enjoy. In his new role, Mr Richards will be working hard to expand our co-curricular and enrichment programme.

Sports News

Cross Country

Last week, some of the Year 3 and 4 boys and girls ran in the Under 8 and Under 9 cross country competition at Shoreham College. They were all excellent, particularly Hamish B, who came in second, and Orlando B, who came in third in their particular race. The Under 9 team were eventual winners overall of their year group. A great afternoon was had by all.

Netball

At the start of the Spring Term, some of our Year 4–8 pupils went to watch Surrey Storm play Team Bath in a friendly match at Surrey Sportpark. Surrey Storm had a convincing win, and the children thoroughly enjoyed watching!

Year 5 Hockey

Yesterday, Year 5 pupils attended hockey sessions at Lancing College with Mr. Janes, the Head of Hockey. It was a fresh morning, but the pupils showed great strength and coordination!

LPW Love Learning

Pre-Prep Head Teacher Awards from 08 01 24

LPW Be Kind

| Reception | |
|------------|--|
| Brodie B | for his super reading this week. |
| Teddy C | for his increased fluency when reading. |

Prep Head Teacher Awards from 08 01 24

LPW Be Kind

| Year 3 | |
|----------|--|
| Chloe B | for showing such enthusiasm towards the Celt Battery Hunt and collecting 86 batteries for the fantastic boxes she created. |
| Asher G | for his excellent focus, effort and an outstanding quality of work in Maths. |
| Toby S | for his excellent focus, effort and an outstanding quality of work in Maths. |
| Year 4 | |
| Zoya G-H | for joining in with our House initiative and collecting 235 batteries to be recycled. |
| Zara R | for showing such enthusiasm and focus on her homework task and creating a fantastic homophone poster. |
| Year 6 | |
| Max B | for his persistent and focused practice on his guitar pieces for grade 1 over the holidays. |

Adventures of Jeff & Nugget

We just had to share these wonderful photos of Jeff and Nugget spending Christmas at Constance's house. They were treated to some wonderful vegetables (cucumber being a firm favourite!) and even got presents when Santa came, including a mini sprout house! Nugget especially enjoyed sleeping in it every night!

Burns Night at Lancing College

LPW parents are invited to attend the Lancing Parents Association Burns Night on Saturday 27 January 2024 at Lancing College. For more information and to book tickets visit <https://buff.ly/3NTzBmd>

DJ. Utilities Ltd working in partnership with **SGN**
Unit 6b, Firsland Park Estate
Henfield Road
Albourne, BN6 9JJ

Tel - 01273 497400
info@djutilitiesltd.co.uk

Project Ref: SOE10518

Dear Customer,

This is a courtesy letter to inform you that Major Gas Main and Service renewal works will be carried out in your area on **Sompting Avenue, Worthing**. **Your property should not be included in this section of works for any service interruptions.** We have included a map of the works showing the section of gas main and detailing the required traffic management involved. Please be advised that due to the location of the gas main in the road, for safety reasons for the public and our engineers we will have to close one lane of the road so there will be no Westbound traffic permitted on this road. A diversion will be signposted in place.

This letter is just to advise you of the works taking place in your area. We will only be working on certain properties in Sompting Avenue that still have the original cast iron and steel pipes.

These major works will start from approximately **19th February 2024** and if no complications arise, these works should be completed in approximately 16 weeks. **Please be advised that in these fast-changing and challenging times we have to react to frequent amendments and disruptions to works, so start dates and timescales might be subject to change.**

YOUR GAS SUPPLY WILL NOT BE INTERRUPTED DURING THESE WORKS.

We pride ourselves on looking after all our customers, so during the course of our works, if you have any concerns, please contact our office on 01273 497400 (Mon-Thurs 0800-1600, Fri 0800-1500) out of hours our office number will divert to our 24hr number.

Alternatively, you can email us at info@djutilitiesltd.co.uk

These are essential major works to ensure the safety of the gas pipes, and it is our intention to complete these works as quickly and as safely as possible.

We assure you that every effort will be made by our engineers to keep any disturbances to a minimum.

We would also like to take this opportunity to thank you in advance for your patience and co-operation during this period.

Yours faithfully

DJ Utilities Ltd

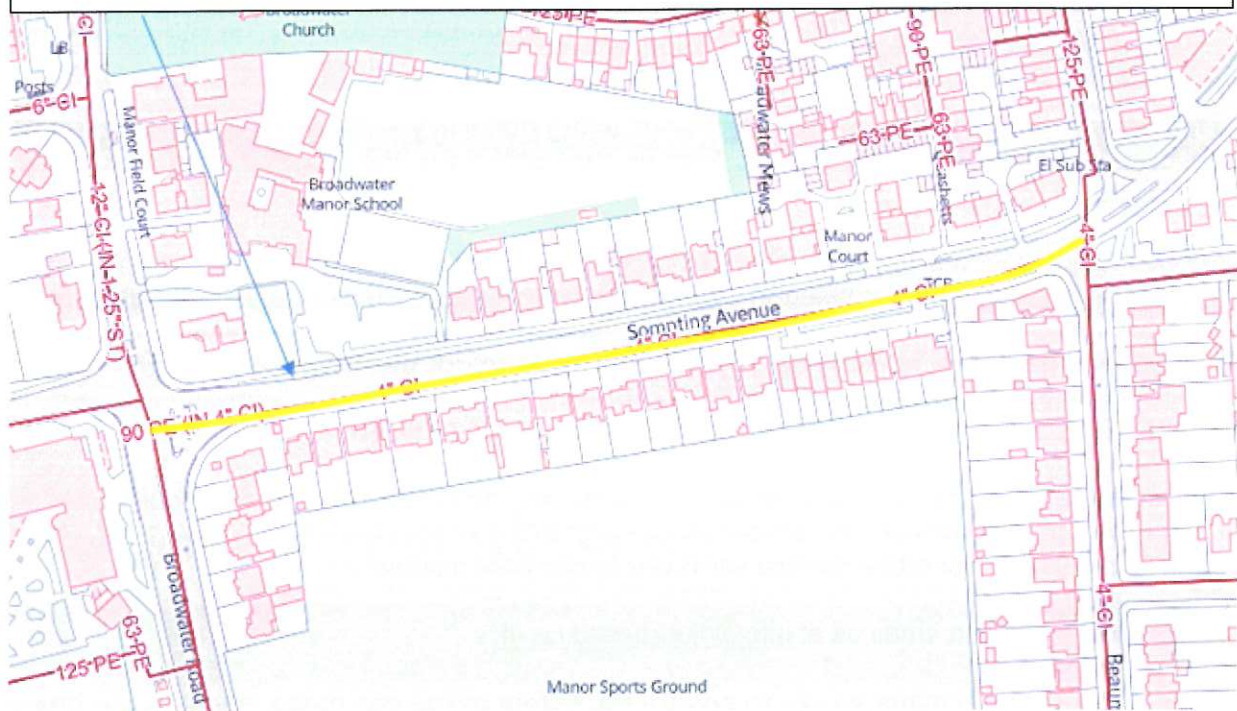

Gas Mains Replacement Works:

The Westbourne Lane closure linked to the A24 gas works to start approx. w/c: 19/02/24 for approx. 16 weeks in total. The initial 6 weeks of the lane closure is due to the location of the gas main on the A24 junction which requires safe traffic management for the public and our engineers. The Westbound Lane in Sompting Avenue will be closed for the safe access to the gas mains. Only Eastbound traffic will be permitted.

The gas main runs on the 'evens' side of Sompting Avenue through the road.

We will insert the new gas main through the existing, and also upgrade the service pipe up to the gas meter of each property on this section. Dependent upon progress, the service upgrade works to the properties in Sompting Avenue will start from around 2nd April 2024 for 10 weeks.

We appreciate our work will be disruptive for road users and the local community, please accept our apologies for the inconvenience these essential works will cause.

Whilst these works can be disruptive, we can assure you that they are to upgrade the network to continue to provide the community with a safe and efficient gas supply long into the future. This area has a leakage history which is why it is being replaced.

We would like to assure you that our engineers and teams are working hard on this project, and that even if you may not always see them in the road- they are often working within individual properties completing the service pipe replacement to each property. We can come across engineering difficulties at times that require additional analysis and consideration, depending upon the location and condition of the gas main and service pipework.

FEBRUARY

FOOTBALL CAMP

12-16 February, 2024 | BHASVIC College, Hove

Swerve Soccer provides a safe, enjoyable atmosphere over the course of each camp with focus fun for all abilities! Players can expect daily matches, World Cup Tournaments, Swerve challenges and lunchtime competitions! Each day there will be opportunities for children in each age group to win stickers for their 'Sticker Collector Card' for 'Player of the Day', 'Goal of the Day', 'Save of the Day' and various additional competitions! On the last day of camp, everyone leaves with a medal and a lucky few walk away with a trophy for 'Junior Player of the Week', 'Senior Player of the Week' and 'Coaches Award'.
